- Program Format: Lecture and Studio

### Block 3: Photography

- Courses: Photography Class + Renaissance Art History Class
- Program Format: Lecture and Studio

## Course Descriptions

### Painting - 3 credits

Mastering Tradition and Innovation in Florence

Unleash your artistic journey in the enchanting realm of Florence, Italy. This painting course is more than just paint on canvas—it's a voyage through time and innovation. We delve into both historical and contemporary painting, unraveling the techniques and principles that have shaped the art world. Reinterpret traditional techniques and embrace modern practices that draw inspiration from observation and imagery. Learn the language of painting, transforming personal concepts by creating series of paintings.

### Printmaking - 3 credits

Letterpress and Silkscreen

Journey to the heart of creativity as you explore the synergy between words and images that weaves together letterpress and silkscreen printing techniques all within the enchanting backdrop of Florence. Immerse yourself in the depth of Italian culture and history, enveloped in a studio with both timeless and contemporary printmaking materials. Feel the tangible connection with metal and wood types as they inspire you. Break boundaries and merge tradition with innovation as your ideas flourish creating thought provoking posters.

### Photography - 3 credits

Lens Through Time

Embark on a captivating journey through time with our course, "Back to the Future: A Photographic Journey in Florence." Immerse yourself blending historical and contemporary techniques to honor the legacy of the medium. Through hands-on experiences with 35mm manual and digital cameras you'll forge a deep connection between past and present. Discover Florence's essence as you interpret the city through your camera guided by your creative intuition. Utilizing 35mm film, film scanning, digital negatives the class will use risograph printing to produce a photo zine with a collection of images from student projects.

### Renaissance Art History of Florence - 3 credits

Art Unveiled: Discovering Florence's Renaissance Legacy

Our immersive course, "History of Renaissance Florence," unveils the captivating journey of this iconic city from the early 15th century to the pinnacle of the High Renaissance. Unravel the secrets behind Florence's remarkable influence on architecture, sculpture, and painting. Explore the streets that housed these masterpieces and delve into the circumstances that made Florence the epicenter of artistic innovation. Join us on this enriching adventure through time as we unearth the answers to the mysteries that turned a city into a living museum of artistic wonder.
